REVIEW — The Good, the Bad, and the Ugly Transitions

The Transition from Moses to Joshua — A Transition in National Leadership

A good transition

1. God chooses different types of leaders in transition.
2. God used various events in Joshua's life, while Moses was still alive and leading, to affirm to Joshua and the people that he was to be the next leader.

The Transition from Saul to David — A Transition in Kings

A bad and ugly transition

1. There was a cultivation of anger — We are not happy that things are changing.
2. There was a personal assault — We don't speak well of the individual or the plan for moving forward.
3. There was the avoidance of the person — Rather than speak to the ones who need to hear about any concerns, they avoid them and speak to others about those concerns.
