Pastor Zack Ford

11/12/23

I. They have SINNED without the Law (v.12a)

II. They will PERISH without the Law (v.12b-13)

- God's impartiality does not exclude His taking into account the **VARYING** spiritual light that people have

III. They Instinctively Know to DO the Law (v.14)

IV. They have the Law WRITTEN on their heart (v.15a)

V. They have an ACCUSING conscience (v.15b)

VI. They will be JUDGED by God (v.16)

VII. Application

A. This passage should move us to **PRAY, GO,** and **GIVE** for the cause of the Gospel reaching the unreached

B. This passage should move us to consider the **GREATER ACCOUNTABILITY** that we have as those who have the Gospel and the Word of God so readily available

C. This passage should cause us to consider the **FINAL JUDGMENT** and our need to **REPENT** of our sin and **TRUST** in Christ alone for our salvation
